[YOU TO THE POWER OF OCF]

One person. One single, generous person, just like you, can make an impact. And when generous people, just like you, join together, they can make an exponential impact. **We help make this happen.** See how other people, just like you, have partnered with Oregon Community Foundation to plan and amplify the impact of their giving across the state of Oregon at **oregoncf.org/YOU.**

I sing the praises of my new Outback on the stage,
at the office, and on the road!

Test drive the new 2020 Outback.
More refined than ever and features the same remarkable off-road capability!
