"Choruses With The King"

Since its invention, the pipe organ has been known as the "king of instruments." The Chorale will participate in the dedication series of the new Schoenstein organ recently installed at the First Presbyterian Church. In the few short months since it has been in use the organ has been hailed as one of the finest on the west coast. With over 2000 pipes it is capable of a complete range of qualities and dynamics. The program is designed to show the glory of voices and organ combined. Included in the concert are works of Beethoven, Bach, Mozart, Britten and Vaughan Williams, as well as contemporary composers. All in all, a thrilling combination that you will long remember.

Featured Soloist:

Linda Borecki, regular accompanist for the Rogue Valley Chorale, will be the featured solist in the first concert series. An organist as well as a pianist, Ms. Borecki earned her music degree at Concordia College of Portland in church music. She studied in Herford, Germany for two years and is presently employed as a church musician. Her teachers include Nancy Nichols from Concordia and Jorg-Neithardt Keller in Germany.

"The Beauties of Brahms"

No Romantic composer has written more beautifully for the voice than Johannes Brahms. The Chorale will sing an all Brahms program that includes hot-blooded gypsy songs, love song waltzes, and other secular pieces. Best known for his famous Lullabye and the German Requiem, his secular pieces are equally as appealing and exciting. For this program the Chorale has selected the beautiful Westminster Presbyterian church with its fine Steinway grand piano as its concert hall.
