

The Rogue Valley Children's Chorus was organized in February, 1982, as an outgrowth of the talented and gifted program. It includes children with unchanged voices, ages 9-12, from twenty-two schools in the Rogue Valley. They are selected by application, recommendation, and audition, and they practice ninety minutes weekly. Performances are scheduled each fall and spring; in addition, the children recently performed in Eugene at the Children's Chorus Festival, where they heard and performed with the Vienna Boys Choir and sang for the other participants.

Concert
November 21, 1982

First Christian Church... Medford, OR
