The Chorale has been offered an **electronic organ** (Wurlitzer, I believe). This is through our association with Linda Fountain. What to do? Anyone want to check it out? Should be take it and use it? Take it and sell it? What?

---

**ACFEA** Mary Jo: Liz Kelly called me yesterday and I told her all of the things that I was supposed to. She is working on a proposal for us so you don't have to call her until we have some questions.

Many thanks to Faye Hutchings. Faye has given the group \$100 to use as it wishes. This is much appreciated, as was her hosting the party after the Gondoliers performance in May. Everyone had a great time and no one fell off the deck!

---

Thanks to Bret for leading us through a most successful season. It was a busy one, and one where we really got going on some new things and had real success in our season ticket drive and concerts. Actually, you should all be royally thanked.

Thanks----**ROGUE**
