MILEAGE PLUS AWARD TRAVEL

Jackson Travel will do its best to get award tickets as soon as those seats become available. But because of the global economy, airlines have been forced to not only discontinue many free services (e.g. checked baggage, food and drinks in flight), but also to fly many fewer flights, and to use smaller planes with fewer seats.

We will also be traveling at the height of the travel season in Europe.

All these factors directly impact the number of frequent flyer seats available on any flight and there are a lot fewer such seats available than in previous years.

Travelers requesting to use frequent flier miles must have the required amount in their account before AUGUST 10, 2010, the date those seats will be awarded, if available.

Coach: 55,000 miles round trip, plus about \$50 in applicable taxes etc.

Business: 105,000 miles round trip, plus about \$50 total in applicable taxes etc.

Upgrade: 10,000 miles ONE-WAY, plus about \$25 in applicable taxes etc.

If ticketed, \$500 one-way additional due at check-in, payable by credit card if desired.

If you have to cancel your trip, see below for conditions to return miles to your account.

PAYMENT SCHEDULE

Charter Travel requires us to remit in English pounds, not US dollars, the amount tied to the exchange rate as of the date of our payments.

Jackson travel advises that the fuel surcharge is computed as of the date of final ticketing, in May 2011

The FINAL payment therefore may be different than as listed - we hope not by too much.

Most of you will pay the amounts under LAND & AIR.

If you are making your own air travel arrangements, or are lucky enough to get an Award ticket, you will pay the amounts under LAND ONLY.

	<u>Date due</u>		<u>LAND ONLY</u>	<u>LAND & AIR</u>
Deposit	1-May-10 ✓		\$ 100	\$ 100
#1	15-Oct-10	10%	\$ 230	\$ 390
#2	01-Mar-11	40%	\$ 920	\$ 1,560
Final	01-May-11	Balance	\$ 1,050 est.	\$ 1,850 est.
			\$ 2,300 est.	\$ 3,900 est.

Single Supplement: \$470 (estimated) will be added to your payments over the period

CANCELLATION & REFUNDS

DEPOSIT: Refundable if cancelled before November 1, 2010

LAND: 10% refundable if cancelled before November 1, 2010

AIRLINE: Group ticket - refundable in full if cancelled before May 10, 2011

Award ticket - anytime prior to travel date. United Airlines will charge \$100 to return the miles to your mileage account, but any taxes paid will be refunded.
