## Announcements

### **The Rogue Valley Youth Ensemble Reunion Choir This Morning**

A warm welcome to the RV Youth Ensemble, part of the Rogue Valley Chorale family of choirs, directed by Pam Nordquist! The RVE has invited its alumni, most of whom are in college to sing in last night's concert and this morning's worship service.

### **Green Team Meeting, This Morning!**

The Green Team will be meeting this Sunday, August 11 at 11:30 in the Choir Room off the sanctuary. All those interested and not yet members of this newly rebooted team, please come and get a sense of how our congregation is addressing the number-one priority of our 2012 vision.

### **Sunday School Room Will Move Today**

We will need help after worship to empty out the current Sunday School room of furniture so that the floor can be refinished. The classroom furniture will be temporarily stored in the old Roots and Wings office off the main entrance. The rooms will also be painted to prepare for our new tenant, the Medford Montessori School. If you have a few minutes, stay and help!
